DESCRIPTION

One of the best designed and most well built boats on the waterways. Ideal for sea and river. B category. Spacious and pleasant terrace with steering position, perfect for as aperitifs with friends. For more ease the boat has 2 side entrances and one on the terrace. Large and comfortable saloon with sofa, steering position and many cupboards. The central lounge gives access to the rear and front. At the back is a fully equipped kitchen and dinette convertible into a double bed. There is also a shower, a toilet, a bedroom with double bed and a second cabin with 2 single beds. The front of the boat consists of a large bathroom with bath and toilet and a superb cabin with central double bed. This ship was built to a high standard. Back platform made to transport a car.
