### DESCRIPTION

This Dutch cruiser is made for inland waterways and sea. Spacious boat and comfortable enough to be a primary or secondary residence. The visibility from the flybridge is particularly good. The two terrasses give you the flexibility of having one space for driving and relaxing and another for lavish meals with friends. A large transparent door leads you to the bright living room, the fully fitted kitchen and three comfortable cabins, two of which have a bathroom.

We love : the well-designed terraces.
