Engine power : 110  
Nb. of Engines : 1  
Engine Fuel : Diesel  
Hull material : Steel  
Structure material : Steel  
Drive System : Propeller shaft  
Where moored : Consultez nous

### DESCRIPTION

This barge has historical significance. Indeed, it was built to transport coal, then served as a school for women during the war and was finally transformed into a beautiful home. It will be the perfect boat for someone interested in history and wanting a cosy place to live. The interior is modern and comfortable. The wheelhouse is bright and has panoramic views, the kitchen is well-equipped, the double cabin takes your breath away and the living with its log-burning fireplace is the perfect place to spend an evening. We love: its recent hull survey and its freshly painted hull.

### COMFORT

Sleeps 4 people, 1 cabin. Toilet. Shower. Radio and CD player. TV. TV antenna. Gas detector. Fire detector. Wood stove. Gas hot water system. Electric hob with 4 rings. 220V fridge.

### BRIDGE

Hydraulic steering position. Mast. Horn. Navigation lights. VHF. Rudder indicator.

### TECHNICAL

Bedford 110hp engine. Electric bilge pump. 6 x 115ah service batteries. 2 x 180ah engine batteries. Gazoline 5,5hp generator. 12V 24V Batium battery charger. Inverter. Solar panel.

Last hull survey and painting under water in October 2020.

### TANKAGE

500L engine fuel tank. 900L fresh water in 3 tanks. Black water tank evacuation pump.
